Sadie: here is an updated document we prepared from an earlier version we submitted for the Administrator's Western Governor's meeting in February.

Please let me know if you have any edits, etc. before we submit to Anthony and Gerard by Friday.

Hi Everyone –

Wanted to send a couple of quick reminders:

- 1) The state midyear issue papers are due to Anthony Deloach and Gerard Bulanowski by **COB April 25** (please also cc me on all and cc Carson Coate on MT issues). I am resending my original email in case you need the format.

A few of you asked about whether Anthony, Carson, and Gerard had asked the states if the states have any issues to raise at the midyears. They have inquired have not received a response yet. If they do receive issues, they will communicate those to the impacted program(s) as they have done in the past.

- 2) If you intend to develop **Regional PPA Guidance**; the guidance is due to Anthony Deloach (with a cc to Gerard and me) by **COB April 29<sup>th</sup>**. (We will post on MAX by May 1 to meet our commitment to the states). If you have any questions, please ask Anthony or Gerard.
- 3) Anthony is still working on rescheduling the ND midyear so stay tuned for the new date. Anthony will be updating the shared calendar with the new date once it is scheduled.

Thanks for your attention to these matters!

Melanie

Hi Everyone –

It's state midyear time again (no fooling). Programs should be commencing their state midyear reviews and completing their midyears by April 16<sup>th</sup>.

**State Midyear issue papers are due to Anthony and Gerard (with a cc to me) by April 25<sup>th</sup>.**

Below you will find a link to a PDF copy of a calendar showing all of the briefing and the state midyear meetings. I am also going to see if I can share the calendar with all of you electronically with read only access. If you are not familiar with sharing calendars in Outlook, you may find this presentation prepared by Melissa Snyder (PES SEE) to be helpful.

You can find it here: <I:\30 Day Share\Outlook Calendar Sharing.pptx>

Here is the link to a PDF of the calendar.

We are also in the process of surveying the clerical assistants of the state environmental/agricultural directors so we hope to have a date soon for the annual EPA/state environmental/agricultural directors meeting.

Please let us know if you have any questions.

Thanks,
